

Prof. Dr. med. Joachim Thiery

Date of Birth: 20.08.1952

Institute Address: Universitätsklinikum Leipzig
 Department für Diagnostik
 Institut für Labormedizin, Klinische
 Chemie und Molekulare Diagnostik
 Paul-List-Straße 13-15
 04103 Leipzig
 Phone: 0341 / 97 22200
 Fax: 0341 / 97 22209
 E-mail: thiery@medizin.uni-leipzig.de

Current Position: Full Professor of Clinical Chemistry and Laboratory Medicine (C4)

Academic Training:

04/1973 – 10/1979 Medical School, Rupprecht Karls University, Heidelberg
 02/2008 – 05/2010 MBA of Health Care Management, University of Bayreuth

Scientific Certificates:

1981 Doctor degree in Medicine “magna cum laude”, University Heidelberg,
 2010 MBA, University Bayreuth

Professional Career:

from 10/2015 Elected Senate of the University of Leipzig
 since 05/2000 Full professor and head of the Institute of Laboratory Medicine,
 Clinical Chemistry and Molecular Diagnostics (ILM), University
 Hospital Leipzig, Faculty of Medicine, Universität Leipzig
 1996 Full unrestricted license as a physician specialized in Laboratory
 Medicine
 12/1995 Assistant Professor (“Privatdozent”), LM University of Munich
 06/1995 – 12/1995 Visiting Scientist, Gladstone Institute of Cardiovascular Diseases,
 UCSF San Francisco
 05/1989 – 4/2000 Resident in Laboratory Medicine and Microbiology, Institute of Clinical
 Chemistry, University Hospital Grosshadern, LM University of Munich
 04/1988 Clinical Chemist
 02/1983 – 07/1983 Research fellow (coronary risk factors in China), Tongji University
 Wuhan, China,
 05/1981 – 04/1989 Resident, Clinical Chemistry and Internal Medicine, University
 Hospital, University of Göttingen,
 12/1980 – 03/1981 Compulsory military service (flight surgeon)
 1979 USMLE (United States Medical Licensing Examination)
 1979 Final examination, Medical Faculty of the University of Heidelberg
 1979 Full unrestricted license to practice as a physician in Germany

Scientific Activities, Honors, Awards:

10/2008-11/2013 Dean of the Faculty of Medicine, University Leipzig
 4/2007 – 10/2008 Vice-dean of the Faculty of Medicine, University Leipzig
 01/2012-12/2013 President of the German Society of Clinical Chemistry and Laboratory
 Medicine, DGKL
 since 2010 (reelected 2014) Member of the president board of the German Association of Medical
 Faculties (MFT)
 since 2013 Member of the supervisory board University Hospital Schleswig-
 Holstein, University Kiel and University of Lübeck
 2004 – 2012 Research Council of the German Research Foundation (DFG)
 3/2012 Rudolf Schönheimer- Medaille der Deutschen Gesellschaft für
 Atheroskleroseforschung
 1987 Prize of the Journal “Deutsche Therapiewoche”
 1995 Prize and Fellowship of the International Atherosclerosis Society,
 Houston

Member of several scientific societies including the United German Society of Clinical Chemistry and Laboratory Medicine, German Society of Cardiology, European and International Atherosclerosis Societies, American Heart Association, AACC, NYAS etc.

More than 300 publications in the field of genetics, clinical chemistry, lipidology and atherosclerosis.

The institute is continuously audited for clinical studies. It is approved by accreditation according to ISO 17025 and ISO 15189.
