

The 28th Annual Meeting of the Israeli Society for Research, Prevention and Treatment of Atherosclerosis

14-16.11.24

DAVID'S HARP HOTEL, GALILEE

Dear Colleagues,

We would like to welcome you to join the 28th Annual Meeting of the Israeli Society for Research, Prevention and Treatment of Atherosclerosis, that will take place on November 14-16, 2024, in DAVID'S HARP Hotel, GALILEE.

The aim of this meeting is to provide a great opportunity for scientific knowledge exchange by bringing together leading experts in the field of atherosclerosis, lipids, obesity and diabetes. In addition, this meeting has a special role in promoting basic and clinical research in Israel. A major goal of our conference is to encourage young scientists to present their new results from the frontiers of basic, as well as clinical science, and to help them to get an overview of fields they are involved in.

We would like you to interest young doctors / investigators from your department to participate in our conference.

Young doctors / investigators will participate in the competition for young investigator oral and poster.

Abstract submission is open.

Please send your abstract via Email to: e.taresht@gmail.com

The final date for abstract submission is August 18th 2024

More information will be posted at the society website: www.ias.org.il

We look forward to welcoming you in DAVID'S HARP Hotel, GALILEE
